

To Whome it may Concern,I am Respectfully urging you, the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

There is alot of "trash" on the airways now days and being a mother of 4 children I can easily choose which radio program that my children listen to. You cannot find a good morral station with just the local am/fm.

With regaurds,

Janice Majors
